Oregon State University: Oregon State offers three exceptional benefits to students who complete the full IB diploma. Admission to Oregon State is guaranteed for IB diploma holders. Sophomore standing is available for any student with an IB diploma score of 30 or higher. Students with scores of 30 or higher on their IB diploma receive Provost's scholarships. This is an annual, renewable, award of at least \$2,000. IB students may also apply for more substantial awards. Beyond that, OSU evaluates IB Higher Level exam scores in much the same way it evaluates AP scores. Students must indicate that they would like official test scores sent to OSU. OSU will grant credit only for "Higher" level subjects. For grades of 5, 6, and 7 OSU will award one year of credit in that subject. Students may petition the Undergraduate Admissions Committee for credit below a grade of 5 and would need departmental evaluation and support. In addition, the official IB Certificate is required in order to award credit. Course equivalencies:
