

## Capital Center – Driving Directions and Map

Oregon University System, Chancellor’s Office Department of Industry Affairs  
Home of ETIC, ORTOP, OPAS and OMI

**18640 NW Walker Rd, Suite 1065  
Beaverton, OR 97006**

We are located:

- Southwest corner of Walker Rd and 185<sup>th</sup>
- About a mile south of the 185<sup>th</sup> exit off of Highway 26 (Sunset Highway).
- more or less at the confluence of Aloha, Beaverton, and Hillsboro.
- East of “Streets of Tanasbourne”, Amberglen, and OHSU/OGI
- West of Highway 217

Navigating from Portland by landmark:

- West on Highway 26 to the 185<sup>th</sup> exit (signs for Capital Center, PCC Rock Creek. You’ll see Mega Retail from the highway on your left)
- South (left) on 185<sup>th</sup> through the a bunch of Megaretail, several lights. Best lane is the second from the right (the right peels off into right-turn-only at Cornell).
- Continue straight on down a hill, getting in to the far right lane and back up (Wendy’s, Craft Warehouse on the right, a beat-up old 50’s school and some big trees on the left)
- Turn right (west) at the light at the top of the hill (Burgerville in a little valley on the right). That’s Walker Rd.
- About a block west take the second driveway on your left. There is a tall, very faded blue sign that actually still says “Tektronix” on the bottom.
- Follow the driveway in and around – on your left you will see some “OUS 30 minute” spots. Park there without worries. Despite the signage, a permit is no longer necessary. Please do NOT park in any space marked “William Barnhardt Center” – that’s the Wells Fargo installation next door and they are absolutely militant about their parking spaces.
- If those spots are full, continue up past Entrance A (monoliths – think Space Odyssey 2001 with etching) into the PCC parking area under the trees; that’s safe too.
- Come in Entrance A. Please sign in with the receptionist. Go to the rear of the lobby, past the restrooms on the left, and out the back door, turning right. If locked, please call one of us – see phone numbers below.
- Turn right and follow that hallway through the fire doors all the way to the end, until your only choice is a left turn. We are the second door on the right, Suite 1065.
