The registration form for the 2007 NW Youth Careers Expo on May 10, 2007 is below. Here are a few new things that will be taking place at the 2007 Expo:

- **New Location** – Oregon Convention Center • Halls A-A1
- **More demonstrations** – Based on the student surveys, students want the exhibitors to have hands-on demonstrations and/or activities in your booth. If you have a demonstration or hands-on activity that is too big for your booth, then you may have **FREE** space in the Demo Area to conduct your demonstration or activity.
Contact Drew Park or Stephanie Kennedy if you would like space in the Demo Area.
- **Job Fair Booths** – New for 2007! We are offering job fair booths for those companies looking to fill summer and full-time positions. **If you register for the Expo booth then a job fair booth is included FREE.**
- **Sponsorship Opportunities** – There are many sponsorship opportunities available.
See the list on the registration form. This is a great way to get your company in front of the students and get more exposure at your booth.
- **Mock Interviews**
- **Career Readiness Presentations** – 30-minute presentations on Resume Writing, Interviewing, Success on the Job and others will be presented throughout the day.
