

**HOW IS IB TREATED AT OREGON COMMUNITY COLLEGES?  
A CATALOG REVIEW. REVISED 7-29-05**

**BLUE MOUNTAIN: NONE**

**CENTRAL OREGON:**

International credentials will be evaluated using the following principles:

1. Coursework must be completed at a nationally recognized, university-level institution and must be at a level of achievement comparable to COCC's A,B, C, and D grades. The applicability of such transfer credit will be evaluated as is credit from U.S. institutions.
2. NFSA: Association of International Educators and American Associate of College Registrars and Admissions Officers (AACRAO) guidelines will be used in evaluating the credentials.
3. The student will pay for any cost associated with international transcript evaluations.

**MT. HOOD:**

MHCC awards credit to students who receive a five or higher on any Higher Level IB exam. College credit can be earned in English Composition, first and second year foreign language, history, economics, geography, psychology, biology, physics, chemistry, theatre arts and general electives. A complete list of MHCC courses satisfied by international baccalaureate examinations is available from the Admissions and Records Office. Students must indicate that they would like official IB test scores sent to MHCC Admissions and Records Office. Credit may be granted only after the student has earned 12 or more credit hours at MHCC.
